

Leadstrike AI -- Ownership Declaration

This document certifies that the idea, concept, and proposed execution plan for the Leadstrike AI application belong solely to:

Name : Deepak Shrivas

Email : dshrivas237@gmail.com

Date : June 14, 2025

Concept Summary :

An AI-powered tool that allows user to input a business type, job role, and location to fetch verified contact data (emails, Linkedin profiles, and physical addresses) using smart scraping, AI-driven data parsing, and public data lookup.

Declaration:

This document is generated for proof of ownership prior to MVP or prototype release.
